

User friendly, the angle grinder is designed for fast and efficient work. Fitted with a 100 mm disc, the slim gauge and adjustable guard angle make it a very versatile tool for cutting in areas where access is limited.

## MULTIPLE APPLICATION

- Cutting power 1 hp
- 2 disc thicknesses available
- Narrow areas
- Secure control
- 11 possible positions for the guard
- Cutting and angle grinding

## ROBUST : DESIGNED FOR WORKSHOP USE

- Low noise level 84dB
- Robust : Good resistance to shocks and drops
