

# SPACE 11 TRUE COLOR

REF. 062245

Essential for safety, the SPACE 11 TRUE COLOR welding mask protects the welder's face and eyes from UV, infrared and splatter. Fully automatic, the mask changes from clear to tinted in a fraction of a second, as soon as it is primed. Supplied with a headband, it frees the welder's hands and offers all the comfort needed for welding work.

## FEATURES

- **Welding helmet with comfortable Multi headband** for a better fit.
- **Panoramic field of vision:** 1 XL screen + 2 fixed-shade side screens for 180° vision.
- **Excellent classification:** optical class 1/1/1/1 (EN379) for true image fidelity
- **Light shade 3:** excellent visibility in the clear for weld preparation
- **Fast darkening speed:** 0.5 ms
- **Optional magnifying glass**
- **TRUE COLOR technology:** more realistic and detailed colour reproduction than conventional filters
